LeO – LEBEN IN OPLADEN

LeO – LEBEN IN OPLADEN

Welcome in LeO, the intercultural center for Families in Opladen.

A meeting point for diversity, encounters, education and dialogue. We are **open to all people** and generations **with or without migration history**.

Here We Are:

What do we want to achieve together?

- Opportunities to integration, participation and a peaceful Coexistence
- Contributing to more social sharing and to strengthening the neighbourhood social networks
- Promoting competences and self-organisation

Our Board selection:

- Information events on topics such as digital participation, consumer protection and political education
- Workshops & discussion groups
- Festivities and leisure offers
- Various course offers such creative offers, sports...etc.

Do you have suggestion, requests for the project or activities that can promote intercultural cooperation in Opladen? Would you like to get involved, be active alone or within a group?

Or you are already committed to an association or an organization and looking for cooperation partner?

Let`s Do It Together!

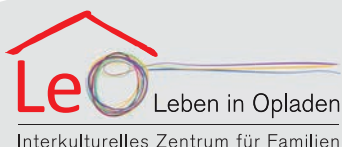

You can always find current information on our Facebook page.

Than take part and do not hesitate to contact us!
